Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

Pursuant to 37 CFR §1.322, Applicants submit herewith a *second* Certificate of Correction (PTO/SB/44) to correct errors on the front page of the letters patent and in the claims section of the above-identified U.S. Patent, which appear to have been incurred through the fault of the Office. Our first submission was filed with the U.S. Patent Office on April 12, 2010. The PTO/SB/44 consisted of two pages. The front page was signed and sealed on May 18, 2010. We believe that the second page was overlooked by the Certificate of Corrections branch while processing the request; therefore, we are resubmitting the Request and the Certificate of Correction.

While no fee appears to be due, the Commissioner is authorized to deduct any fees that may be required by this submission from the undersigned's Deposit Account No. 20-1430.

Respectfully submitted,

William B. Kezer
